Dear Valued BBG Customer,

We would like to thank you for the continued opportunities that you have given BBG. We truly value you as our customer and will continue to work very hard to support your bare printed circuit board requirements.

We need to inform you that the Office of the United States Trade Representative (USTR) announced September 17th its Section 301 List 3 is now ready for implementation. The finalized List 3 imposes a 10% tariff on all bare printed circuit board made in and imported from China (HTS Subheading 8534.00.00).

Effective September 24, 2018, Customs and Border Protection (CBP) will begin collecting the 10% tariff on all bare printed circuit board made in and imported from China. The current Administration also announced it expects to increase this tariff from 10% to 25% on January 1, 2019.

The Made in China tariff tax will be billed as a separate line item on your invoice.

BBG will continue to monitor the current landscape and keep you informed of any major developments. Please do not hesitate to contact us with any questions.

Thank you for your business.
